

M.O.M.s' NIGHT OUT

*Texas Mothers of Multiples
2010*

Hosted by Garland Area Mothers of Twins Club

April 22-25

Radisson East, 11350 LBJ Freeway @ Jupiter Road Dallas, Texas 75238

Ladies,

It's almost here & we're almost ready!

Perhaps our hotel's biggest drawback is it's hard to see off Jupiter. The main entrance is between LBJ (635) & McCree Road. Watch for it or you'll pass it by. We're going to try to have a TMOM sign out to help. Take the Jupiter exit off 635 (LBJ) coming from either direction. If you're coming from the north you'll see the back entrance off the service road and can turn in there. Coming from the south, you will turn left on Jupiter and go under the freeway and start looking for the driveway on your right.

With the state of the economy donations are difficult to get. We are asking each club to please bring a \$10 gift card that isn't locale specific, i.e. Starbucks, McDonalds, Wal-Mart, etc. to be used as a door prize. Also for the hospitality room please bring a 12-pack of drinks per person if you're driving. If you're flying we don't expect you to pack them. We have had bottled water donated.

If you're flying please email me your arrival & departure information and we'll have someone pick you up and get you back to the airport.

Some of us are checking in Wednesday afternoon. If you're arriving on Wednesday or early Thursday come around to the Hospitality Room 4108 and knock on our doors. We'll be in the suites on either side of it.

See you soon!
