

2010 CONVENTION ADDENDUM

Ladies,

A few things are different this year that might need some extra explanation.

Breakfast – The buffet is wonderful. We had a Saturday morning meeting at the hotel to check it out. There's a full buffet, made to order omelets, coffee (or tea, juice, etc.) is included. (I hate breakfast buffets that charge \$2 extra for coffee. Coffee goes with breakfast!) The price is \$7.00 if you purchase with your registration. If you wait until convention it will be \$9.99. If you arrive on Wednesday and have purchased Thursday's breakfast, come see us for your ticket. (Registration won't officially open until Thursday afternoon.) Hospitality will be suite 4108 and we will have the rooms on both sides of it.

Friday Lunch – This is new. Higher Order Multiples requested a luncheon. We were afraid there wouldn't be enough people. Kelly Heslip and I attended a networking luncheon at the NOMOTC convention last July that we enjoyed. Sharesops have not been well-attended the past few years. So we're trying something new combining these things. We hope you'll all come and give it a try.

Convention Disk – You noticed a space to order your disk on your registration form this year. TMOM has been ordering more than have been sold the past few years and we want to avoid that. Some extra will be ordered, but to be sure you get your disk please order it on your registration form. This decision was made by TMOM at midterm.

Late Registration Fee – This was increased from \$5 to \$20 because \$5 was not a deterrent. Arlington had a lot of problems with people registering up until the week of convention. The hostess club has to have numbers on time. If you have to register on site we will make an effort to get you into all the meals and activities you want to attend, but cannot make guarantees. This is also a TMOM decision discussed at the post-convention and midterm meetings.

Please check activities you want to attend that do not have an additional charge to help us with planning.

We have planned a fun convention and look forward to seeing you in April.
